Dear Ms. Prichard:

We have reviewed your April 1, 2001 – March 31, 2002 commercial laboratory suitability annual retention report. The report indicates conformance with the requirements of DSCC's Laboratory Suitability Information booklet. Therefore, the listing of your capabilities as stated in your latest laboratory suitability letter, DSCC-VQH-01-0077, will be continued on the List of Commercial Laboratories Suitable for Testing Military Devices.

Your next retention of commercial laboratory suitability report must be submitted by April 30, 2003 and should be formatted to contain the items of Section IV of the DSCC booklet mentioned above. If we do not receive the report by this date, your capabilities may be removed from the List of Commercial Laboratories Suitable for Testing Military Devices.

If you have any questions, please contact Mr. Eschmeyer.

Sincerely,

JOSEPH GEMPERLINE
